Dear Postmaster General,

Please consider an appeal for the Lake Creek post office in Lake Creek TX. Docket # 1369563-75450. We are a very rural post office and it would be a major inconvenience on a number of people if it were closed. I am only 9 miles from the Lake Creek post office and my next closest office is 20 miles away in a place I go only 2 or 3 times a month. The people at the post office hate holding the mail that long. I am also a half mile off the road so a rural route is out of the question.

There are a number of people that are in the same position as I am. I have been told by a reliable source that if all the rural post offices were closed it would only save the USPS 1% of it's total budget. So please reconsider closing our little post office. Thank you for your consideration.

Sincerely yours,

Lynne P. Long
